Dear Sir:

I am herewith sending you a check for $20.00 to pay for the gold coins that Mr. Robertson brought back. We have gone through the silver and copper coins and have picked out several that we did not have. These were chiefly some of the nice condition Brazilian pieces. On behalf of this Society I wish to thank you very much for presenting these pieces to us. The coins that we do not wish are being returned by insured parcel post. Again thanking you, I remain

Very truly yours,
